

BPAC RESOLUTION #2-2004

A RESOLUTION REQUESTING THE FLORIDA DEPARTMENT OF TRANSPORTATION TO CONSIDER THE INCLUSION AN OFF-ROAD PATH, IN ADDITION TO THE PAVED SHOULDERS PLANNED FOR PROJECT #4056581; AS WELL AS COORDINATING THESE EFFORTS WITH PROJECT #4106401

Whereas, the Miami-Dade Metropolitan Planning Organization has established the Bicycle/Pedestrian Advisory Committee (BPAC) to advise it on bicycle/pedestrian matters; and

Whereas, FDOT project #4056581 reconstructs SR 9336, from Everglades Park and SW 344 St.; and

Whereas, SR 9336 is a popular bicycling route; and

Whereas, the FDOT's design adds paved shoulders, which will better accommodate bicycling; and

Whereas, sufficient right-of-way exists to add a separate paved path, which would assist those in the area who would prefer to use such a facility, rather than the roadway; and

Whereas, FDOT project #4106401 adds paved shoulders on SW 344 St., from SW 192 Av. to SW 182 Av.

NOW THEREFORE, BE IT RESOLVED BY THE BICYCLE/PEDESTRIAN ADVISORY COMMITTEE OF THE METROPOLITAN PLANNING ORGANIZATION FOR THE MIAMI URBANIZED AREA:

THAT, the BPAC requests the Florida Department of Transportation to consider the inclusion an off-road path, in addition to the paved shoulders planned for Project #4056581; as well as coordinating these efforts with Project #4106401.
